A Hero's Perspective: **Tuskegee Airman Col. Charles E. McGee**

Presented by LECTURER
Wednesday, 02/13/2019, 11:30am – 12:30pm
Building A17, Conference Room 1007

RSVP required, seating is limited. Go to the below address to register.

https://www.eventbrite.com/e/lunch-learn-with-an-aviation-legend-col-charles-mac-mcgee-tuskegee-airman-tickets-55050751279

ABSTRACT

Charles E. McGee is a retired African-American fighter pilot who was one of the Tuskegee Airmen and a career officer in the United States Air Force for 30 years who flew a total of 409 combat missions in three wars: World War II, the Korean War, and the Vietnam War.

ABOUT THE PRESENTER

Col. Charles E. McGee

Colonel McGee was born in Cleveland, Ohio on December 7, 1919, and is the only known fighter pilot to have flown more than 100 combat missions in each of the following wars: World War II, the Korean War and the Vietnam War. He served in active duty for 30 years, flying more than 6,300 hours, and in 1972 he became the first black commander of a stateside Air Force Wing as the commander of the Richard-Gebaur Air Reserve Base in Missouri. In addition to the P-51s that the Tuskegee Airmen became known for mastering, McGee flew the Bell P-39 Airacobra, Republic P-47 Thunderbolt, North American B-25 Mitchell, Lockheed F-80 Shooting Star, Northrop F-89 Scorpion and McDonnell RF-4. With a distinguished career spanning three-decades, he achieved a three-war fighter mission total of 409 combat missions, one of the highest by any Army Air Forces or Air Force pilot.

After his military service, Col. McGee held many prestigious functional and honorary positions in the field of aviation. In 1978, at the age of 58, he completed his college degree at Columbia College in Kansas City, over thirty years after his initial enrollment at the University of Illinois. Though interrupted by World War II, attaining a college degree had been a lifelong goal.

Col. McGee was recognized for his combat and military service with a number of awards including: Distinguished Flying Cross with two Oak Leaf Clusters, Legion of Merit with one Oak Leaf Cluster, Bronze Star, Air Medal with 25 Oak Leaf Clusters, Army Commendation Medal, Presidential Unit Citation, Korean Presidential Unit Citation, Hellenic Republic World War II Commemorative Medal along with related campaign and service ribbons. In 2007, President George W. Bush awarded McGee and all other surviving Tuskegee Airmen with the Congressional Gold Medal, the nation's highest civilian award.

Col Charles McGee, recently celebrated his 99th birthday in style; in short, Col. McGee not only found himself back in the cockpit of an aircraft, he also added more time to his ever-increasing total flight hours by flying a HA-420 HondaJet with his co-pilot, CEO of Jet It - Glenn Gonzalez for a few minutes.

GA RETIREES ASSOCIATION, INC.

An Invitation to You
From
GA Retirees Association, Inc. (GARA)

(Not directly affiliated with General Atomics)

The GA Retirees Association invites you to join our social organization where you can enjoy a good lunch and hear interesting speakers. It costs only ten dollars per year and is a great forum to talk to former coworkers and re-connect with old friends.

Membership is open not only to retirees but also to those with at least 5 years of service with GA. Although you may not be retired, our luncheons can offer unique networking and educational opportunities which might not otherwise be available to you.

GARA offers four luncheons each year. We have speakers to discuss current world, scientific or general interest topics at our spring, summer, and fall luncheons. We approve the association budget and elect the board of directors at our winter luncheon and offer an abbreviated program. The venue is changed each time to give members a variety of foods and surroundings. Recent venues included Tom Ham's Lighthouse, Bay View Restaurant at MCRD, El Camino Country Club/Oceanside, and Bali Hai Restaurant on Shelter Island. Our most recent speaker was Rob Walker II, Senior Director of Marketing and Proposals at GA Aeronautical Systems, who gave us an up to date overview of the Remotely Piloted Vehicle (RPV) business both in the US and internationally.

The Newsletter is posted on our website quarterly, and a hard copy is available for those members that request it. Newsletters tell of upcoming luncheons and speakers, activities of retired associates, obituaries of members and items of special interest.

Please visit our website www.garetirees.org. There you can read our most recent newsletter as well as back issues. If you are interested in joining the GA Retirees Association, please call (or text) Niles Johanson, Treasurer and Membership Chairperson at (858) 752-4327, email him at nilesjo@yahoo.com, or simply complete the form below, and mail it along with your $10 yearly membership fee payable to "GA Retirees Association," 6083 Via Regla, San Diego, CA 92122. We look forward to you joining us!

Please save the date for our Spring Luncheon, Wednesday March 6, to be held at the El Camino Country Club in Oceanside, conveniently located near I-5 and CA-78. Our guest speaker will be Mehdi Saram, International Consultant, speaking on "Global Nuclear Waste Disposal". The GARA Newsletter will provide instructions for luncheon signups.

Set of 6 Antique Americana Framed Cigar Box Labels - $90

A real find! Perfect for the cigar connoisseur. Great Father's Day gift. Set of 6 wooden framed, Original cigar box labels. Intricate artistry, rich colors, gold embossed, details. The labels are professionally mounted with matting. Ready for hanging!! The back of each label reads:

" Original Cigar Box Labels
For the collector and decorator alike, the diversity of theme and colorful illustration used in turn of the century Cigar Box labels is unsurpassed.

Prior to 1915 over 25,000 cigar makers vied with one another for the eye (and nickel) of our great-grandfathers. This was an extremely profitable business and before Prohibition put an end to the beer room trade in cigars, 5 billion were sold yearly. So to attract the attention of the prospective buyer the value of a catchy name or seductive image was beyond measure.

To the label competition the lithographic companies engaged their artists to produce an incredible variety of designs, unique in American originality. Separately printing up to ten colors plus gold, embossing the design on machines weighing 38 tons, these craftsmen gave us a legacy of lithographic quality that is long since commercially unattainable.

In the 1920's, machine made cigars put the small independent out of business. As for the labels, it was the end of an era. No longer needing to tempt the buyer with imagination and artistry the large remaining companies settled for a snappy emblem and a name no hick would forget. Recently brought to light after years in dusty backrooms, these original examples of paper Americana provide a fascinating look into the humor and salesmanship of another day."

Each frame measures 12.5" x 10.5"
The set of 6 different labels:

- PAID IN FULL
- CAMEL
- RED CLOUD (American Indian)
- EL GARCIA
- THE CUSTOM HOUSE CIGAR (dated 1902)
- WIZARD

GA-ASI Rock Band Looking for a Singer

GA-ASI rock band Deko is looking for a vocalist for an original band. Our music is a blend of Modern Alternative, Classic, and Blues Rock, very riff-driven songs with moderate progression perfectly suited for outstanding vocal melodies. We have rough recordings of unfinished songs posted on our cloud-based shared drive.

We don't know exactly what we want in a vocalist; we're waiting for someone to naturally stand out. However, we do know what we don't want; please no Diamond Dave's, Dio's, Sebastian Bach's, etc.

If you are interested in singing in a rock band and would like to check out our music, please contact me at: Ian.mendoza@ga-asi.com

People v Beanstalk by Neil Pisk
Director Brent A. Stringfield
Producers Merill Gill & Ruth Woodbeck

Local playwright/actor, Neil Pisk, has written a courtroom drama that has Jack Beanstalk on trial for the murder of the Giant after he topples the magic beanstalk. Familiar characters of Jack's Mother, the Goose That Lays Golden Eggs and the Magical Harp populate the courtroom along with a mix of new characters to create a family-friendly show. The added twist is that the Jury is drawn from the audience of each performance and will decide the verdict. It's a new show at every performance!
