

San Diego Helicopter Tour

Depart toward Mount Soledad and fly towards the Pacific coast. Seals and Sea Loins are often seen at La Jolla Cove. Hugging the rocky Pacific coast, southbound, the flight will come back inland over SeaWorld and the airport. Enjoy commentary from your pilot and plenty of photo opportunities throughout your tour. During the second half of the tour, fly over downtown San Diego, Petco Park and enjoy a panoramic view of San Diego Bay and the Coronado Bridge.
