NEWSLETTER DELIVERY MODE:

The GA ERA Newsletter is only available on the ERA website at: www.ga-era.org.

ATTENTION ERA MEMBERS - Bounced Check Policy

The ERA will accept personal checks as payment for purchases of merchandise only. We no longer accept checks for attraction tickets or ERA sponsored events. If your check is returned due to insufficient funds, then you will be charged a $9.00 bank returned check fee. You will be notified by a member of the ERA staff and your check will be re-deposited the following Friday. If it doesn't clear again, you will be charged an additional $9.00 fee. Unfortunately, if you write a check that bounces, you will no longer be allowed to write checks again to the ERA. You may use cash or credit cards only for all future ERA purchases. If we do not receive payment for your bounced check (including the bounced fee payment(s), then you will not be able to purchase any items from the ERA store or participate in ERA-sponsored events. Also, you will not get a refund for your membership in the ERA.

The ERA appreciates your business, but we must also be financially responsible to limit losses to the ERA.

GA RETIREES ASSOCIATION, INC.

An Invitation to You
From
GA Retirees Association, Inc. (GARA)

(Not directly affiliated with General Atomics)

The GA Retirees Association invites you to join our social organization where you can enjoy a good lunch and hear interesting speakers. It costs only ten dollars per year and is a great forum to talk to former coworkers and re-connect with old friends.

Membership is open not only to retirees but also to those with at least 5 years of service with GA. Although you may not be retired, our luncheons can offer unique networking and educational opportunities which might not otherwise be available to you.

GARA offers four luncheons each year. We have speakers to discuss current world, scientific or general interest topics at our spring, summer, and fall luncheons. We approve the association budget and elect the board of directors at our winter luncheon and offer an abbreviated program. The venue is changed each time to give members a variety of foods and surroundings. Recent venues included Tom Ham's Lighthouse, The Butcher Shop, Bernardo Heights Country Club and the Bay View Restaurant at MCRD. Our most recent speaker was Dr. Carmelo Rodriguez of GA, speaking on Naval Aviation & GA.

The Newsletter is posted on our website quarterly, and a hard copy is available for those members that request it. Newsletters tell of upcoming luncheons and speakers, activities of retired associates, obituaries of members and items of special interest.

Please visit our website www.garetirees.org. There you can read our most recent newsletter as well as back issues. If you are interested in joining the GA Retirees Association, please call (or text) Niles Johanson, Treasurer and Membership Chairperson at (858) 752-4327, email him at nilesjo@yahoo.com, or simply complete the form below, and mail it along with your $10 yearly membership fee payable to "GA Retirees Association," 6083 Via Regla, San Diego, CA 92122. We look forward to you joining us!

Name:_____ Spouse:_____
Address:_____
Phone Number:_(_____)_____ Email:_____

The date for our Spring Luncheon in March of 2018 has not been set as yet. Our guest speaker will be Alex DeVolpi, PHD, LCDR-USNR-R regarding his book "Cold War Brinkmanship". The GARA Newsletter will provide instructions for luncheon signups.

Husky Looking for New Home

Kodi is a GREAT dog who deserves a good home

Kodi is a 7-year old Husky mix and is one of the sweetest dogs I have ever been around. He is great around kids and other dogs and he does not bark. We have had zero problems with Kodi.

Kodi was adopted from a Husky adoption group by my girlfriend about 4-5 years ago. We moved to San Diego with Kodi last year and found a house with a yard to accommodate a large dog's needs. Now, out living and financial circumstances have changed such that we need to downsize and find a smaller place to rent.

We would love to take Kodi with us, but not only is it hard to find small apartments that accept large dogs, but it is not fair to a large dog to be stuck in such a small apartment.

Although it is very hard to let go of such a wonderful animal, my girlfriend and I are looking to see if there might be a better fit out there for both Kodi and his new owners.

If interested, please contact me at one of the following:
