An Invitation to You
From
GA Retirees Association, Inc. (GARA)

(Not directly affiliated with General Atomics)

The GA Retirees Association invites you to join our social organization where you can enjoy a good lunch and hear interesting speakers once Covid-19 is behind us, It costs only ten dollars per year and is a great forum to talk to former coworkers and re-connect with old friends.

Membership is open not only to retirees but also to those with at least 5 years of service with GA. Although you may not be retired, our luncheons can offer unique networking and educational opportunities which might not otherwise be available to you.

GARA offers four luncheons each year. We have speakers to discuss current world, scientific or general interest topics at our spring, summer, and fall luncheons. We approve the association budget and elect the board of directors at our winter luncheon and offer an abbreviated program. The venue is changed each time to give members a variety of foods and surroundings. Recent venues included Tom Ham's Lighthouse, MCAS Miramar Officer's Club, El Camino Country Club/Oceanside, and Bali Hai Restaurant on Shelter Island. Our most recent speaker, at our Fall Luncheon, was Mickey Wade of the Fusion Department, who provided an update on Fusion activities.

The Newsletter is posted on our website quarterly, and a hard copy is available for those members that request it. Newsletters tell of upcoming luncheons and speakers, activities of retired associates, memorials of members and items of special interest.

Please visit our website www.garetirees.org. There you can read our most recent newsletter as well as back issues. FORE!

Did you know that…

The term is a short form of the word "before," which is a synonym to "ahead." Thus, **fore** literally means, "look out ahead." **Golfers** use this term immediately following an errant shot as a way to warn other **golfers** that a ball might be heading their way.

Golfweek

This is something I yell more than I like to admit. My name is Daniel and I work in Adelanto, I am the President of the ERA High Desert Golf Club (HDGC) and we are looking for members. GA ERA Gun Club

The Gun Club is a shooting focused social club. We have all levels of shooters in the club from members that are just learning to shoot to members that have been shooting for many years. You do not have to own or plan to own a gun. The most members are glad to share their firearms and stories with others. New members are welcome in to the club and we look forward to new members

The Gun club is:
A safe environment to shoot or learn to shoot.
The club accepts there are many views about shooting and we are nonjudgmental.
A place to meet, and have fun shooting.

The Gun Club is not:
A political organization, we have a pro-gun stance but we are not about gun causes.
A place to be reckless, Safety is first

Frequently Asked Questions about Disneyland California Resort:

1. Are reservations required for Disneyland California Park and Disneyland California Adventure Park?

   Yes, after purchasing your discount tickets for Disneyland California Park and Disneyland California Adventure Park, you may make your reservations through their Reservation Portal.

2. How do I know if my preferred date is available?

   Disneyland California Park and Disneyland California Adventure Park highly recommend checking the Theme Park Reservation Availability before purchasing your discount tickets as they do require a theme park reservation in addition to valid discount tickets for the same park on the same date.

3. What are the opening and closing hours for Disneyland California Park and Disneyland California Adventure Park?

   Disneyland California Park is open every day from 8:00 a.m. to 11:00 p.m., and Disney California Adventure Park is open every day from 8:00 a.m. to 10:00 p.m. To view the complete calendar, please click HERE .

4. What should I do if I don't receive an order confirmation email after purchasing my discounted Disney e-Tickets?

   In the rare instance that you do not receive an email confirmation, you are unable to print your discounted Disney e-Tickets from the e-Tickets viewer, or you do not have an internet-accessible handheld device present upon arrival at Disneyland California Resort,

just visit any Disneyland California Resort Box Office to have your discount tickets re-issued for use at the theme parks—including Disneyland California Resort and Disney California Adventure Park.

To receive re-issued ERA discount tickets, please have the following on hand:

- The credit card that you used to purchase your discounted Disney e-Tickets
- A photo ID, such as a driver's license or passport
- A printed copy of the initial order confirmation page

For security reasons, only the guest whose name appears on the original credit card will be able to pick up replacement tickets.

5. Is there a difference between standard theme park tickets at the Disneyland California Resort and Disney e-Tickets?

   No, the Disney e-Tickets are legitimate tickets valid for admission at the theme parks of Disneyland California Resort, including Disneyland California Park and Disney California Adventure Park. The only difference is that with Disney e-Tickets you get purchased tickets faster than any other delivery option.

6. When is the best time to visit the Disneyland California Resort?

   It is always a great time to visit Disney theme parks; however, when planning a trip to Disneyland California Resort, expect lower crowds from mid-September through mid-November (before the Thanksgiving break). Mid-January through mid-March is another time when potentially lower crowds are expected. The parks are generally less busy during these two periods, which make it an ideal time to explore.

7. Where is Disney California Adventure Park located in relation to Disneyland California Park?

   Disney California Adventure Park is within short walking distance to Disneyland California Park. The parking lot tram loading and unloading areas and the ticket booths for both theme parks are located a short walk from these main entrances. Everything at the Disneyland California Resort is within walking distance. To the north of the Main Entry Plaza is Disneyland Park; to the south is Disney California Adventure Park. Downtown Disney District and all three Disneyland Resort Hotels are to the west. See the map for Disneyland Resort HERE .

8. Is there free parking at the Disneyland California Resort?

   No, parking per car and motorcycle is $25; oversized vehicles, motor homes, or tractors (without trailer) is $30 per vehicle; buses or tractors (with extended trailer) are $35 per vehicle. For full details of the parking guidelines and rates, please click HERE .

9. How do rain and inclement weather affect the availability of attractions and entertainment at the Disneyland California Resort?

   In the event of inclement weather during your visit to Disneyland California Resort, most attractions and indoor shows will continue to operate. For the safety and comfort of guests and cast, some outdoor attractions may temporarily close until the inclement weather passes. See the list of attractions HERE .

Some helpful tips for Disneyland California Resort:

1. To enter a theme park, guests (ages 3 and older) will need a valid ticket and a theme park reservation for the same day and same park they want to visit.
2. The State of California strongly recommends that all Guests be fully vaccinated or receive a negative COVID-19 test prior to entering the Disneyland California Resort. Face coverings are required for all guests (ages 2 and older) while indoors, including on many attractions and in enclosed transportation vehicles regardless of vaccination status. Face coverings remain optional for all guests in outdoor common areas.
3. Certain parks, hotels, restaurants, attractions, experiences, and other offerings may be modified or unavailable, have limited capacity, and are subject to limited availability or even closure, and park admission and offerings are not guaranteed.
