**This is a FUN and innovative way to experience San Diego on this GPS Guided Talking Tour. The GPS system will talk to you throughout the entire tour. It will give you precise directions while telling you about some of the most interesting parts of San Diego.**

iRide San Diego harbor tour takes you on a multi-cultural tour of San Diego, starting in Little Italy, where you learn about the rise and fall of San Diego's Italian population, your tour continues past the maritime history museum, the USS Midway, and into beautiful Seaport Village.

You also get to travel past Horton Plaza which just begs be visited again after the tour ends. After Horton Plaza you make your way into the heart of San Diego, with a quick loop around the Home of San Diego Padres, and into the Historic Gaslamp Quarter, which after its reinvention is MUCH more family friendly then it used to be.

**As you leave the Gaslamp Quarter you will enter Banker's Hill with is unique shops, also borders the always beautiful Balboa Park.**
