ATTENTION ERA MEMBERS - Bounced Check Policy

The ERA will accept personal checks as payment for purchases of merchandise only. We no longer accept checks for attraction tickets or ERA sponsored events. Set of 6 Antique Americana Framed Cigar Box Labels - $90

A real find! Perfect for the cigar connoisseur. Great Father's Day gift. Set of 6 wooden framed, Original cigar box labels. Intricate artistry, rich colors, gold embossed, details. The labels are professionally mounted with matting. Ready for hanging!! The back of each label reads:

" Original Cigar Box Labels
For the collector and decorator alike, the diversity of theme and colorful illustration used in turn of the century Cigar Box labels is unsurpassed.

Prior to 1915 over 25,000 cigar makers vied with one another for the eye (and nickel) of our great-grandfathers. This was an extremely profitable business and before Prohibition put an end to the beer room trade in cigars, 5 billion were sold yearly. So to attract the attention of the prospective buyer the value of a catchy name or seductive image was beyond measure.

To the label competition the lithographic companies engaged their artists to produce an incredible variety of designs, unique in American originality. Separately printing up to ten colors plus gold, embossing the design on machines weighing 38 tons, these craftsmen gave us a legacy of lithographic quality that is long since commercially unattainable.

In the 1920's, machine made cigars put the small independent out of business. As for the labels, it was the end of an era. No longer needing to tempt the buyer with imagination and artistry the large remaining companies settled for a snappy emblem and a name no hick would forget. Recently brought to light after years in dusty backrooms, these original examples of paper Americana provide a fascinating look into the humor and salesmanship of another day."

Each frame measures 12.5" x 10.5"
The set of 6 different labels:

- PAID IN FULL
- CAMEL
- RED CLOUD (American Indian)
- EL GARCIA
- THE CUSTOM HOUSE CIGAR (dated 1902)
- WIZARD

GA-ASI Rock Band Looking for a Singer

GA-ASI rock band Deko is looking for a vocalist for an original band. Our music is a blend of Modern Alternative, Classic, and Blues Rock, very riff-driven songs with moderate progression perfectly suited for outstanding vocal melodies. We have rough recordings of unfinished songs posted on our cloud-based shared drive.

We don't know exactly what we want in a vocalist; we're waiting for someone to naturally stand out. However, we do know what we don't want; please no Diamond Dave's, Dio's, Sebastian Bach's, etc.

If you are interested in singing in a rock band and would like to check out our music, please contact me at: Ian.mendoza@ga-asi.com
