

Wow! the fishing is only getting better. Limits Of Bluefin are the norm for most overnight and better. Water temperatures are only going up so hopefully the Dorado will start to show soon. These fish are close so the 1.5 and overnight trips are the perfect trips.

The Boat and Captain

After years of research by the club board we are pleased to charter the Relentless out of H&M for all trips this year. Captain Mike has been fishing these waters since he was 10 years old. Mike is the owner/operator of the Relentless. The boat is a medium size party boat that holds 21 but we will fish 17. The boat has 5 air-conditioned staterooms that hold 3. The bow has another 6 bunks. A Hot shower and a great galley make this boat the clear choice.
